

Sounds-Write Ltd: Privacy Policy

Sounds-Write Ltd will always be concerned with the safety and protection of children that use our resources. We strongly believe that the parents or guardians of the young users of our apps should not have to worry about the content of our apps and feel that they can trust Sounds-Write Ltd products.

Therefore we have ensured that all of our apps:

- Do not collect any personal data or user information (we never use any data collection tools).
- Contain password protected in-app purchases that a young user will not be able to access.
- Do not contain any advertisements.
- Protect young users from external links (for example links to a website, Facebook and Twitter, other apps by Sounds-Write Ltd) by keeping them locked away in the 'adult only' section of the app.
- Do not allow use of the camera when the app is running or give access to any images stored on the device.

If you have any concerns or questions please contact us: support@sounds-write.co.uk
